

THE ADECCO GROUP

## A NEW PROFESSIONAL SPIRIT IN LUXEMBOURG WITH THE LAUNCH OF SPRING PROFESSIONAL

**Ajilon, Adecco Office Finance and Adecco Permanent Placement  
are merging to become Spring Professional Luxembourg.**

***Luxembourg, January 9th 2020***

The Adecco Group Luxembourg is operating a strategic brand reorganization in order to unify its offer of services and to strengthen its high-quality matching between individuals and companies.

The brand Ajilon, present in Luxembourg for 25 years and specialized in outsourcing and HR transformation, merges from January 2020 with two out of the eight Adecco branches present in the Grand Duchy to create **Spring Professional Luxembourg**.

The three entities located in the same building in Place de Paris are joining their forces to create a unique **dedicated space for middle management** with extensive HR solutions (recruitment, outsourcing and HR transformation offers) under **one unique brand**.

Spring Professional is specialized in the employment of middle managers and highly qualified professionals in contracting, temporary work and permanent placement. Active in more than 25 countries, Spring Professional integrates the Luxembourg recruitment landscape, which will benefit from the brand's expertise and international network.

*“Our goal is to bring together the efforts, resources, time and efficiency to provide harmonized services based on customer - candidate centrality under one brand.”* comments Julie Noirhomme, Managing Director of Spring Professional Luxembourg.

By grouping their departments and organizing teams by industry, recruiters are business experts in each of these sectors. Customer requests are thus focused on customer needs and no longer on the type of contract, allowing better communication and greater efficiency.

Julie Noirhomme highlights the importance of being in phase with the changes in the labor market: *“We are convinced that the trend for the coming years will be to link Matching, Assessment, and Upskilling. Our services evolve around this virtuous circle.”*

Thanks to this diversity of HR services, Spring Professional will therefore be entirely dedicated to the needs of the Luxembourgish market.
