WILDGEN LAUNCHES COVID-19 TOOLKIT TO HELP COMPANIES NAVIGATE THIS PERIOD OF GLOBAL UNCERTAINTY

Luxembourg, 31 March 2020 - Given the rate of change in the COVID-19 situation, its impact on the markets, and the developing regulatory response, Wildgen decided to launch a COVID-19 Toolkit (www.wildgen.lu/covid-19). What is the purpose? To support and ease life of companies that are currently facing a series of challenges.

During this turmoil period, Wildgen's multi-disciplinary and multilingual teams have teamed up to monitor the evolving situation of the COVID-19 pandemic and its implications for businesses. The law firm has put in place a **COVID-19 Toolkit** that includes:

- **An email helpline** in order to answer questions of companies surrounding the COVID-19 crisis: COVID19@wildgen.lu.
- **Specific updates and analysis** on relevant Luxembourg legal, tax and regulatory issues relating to the COVID-19 outbreak.
- **A multilingual and frequently updated FAQ page in insurance matters** to guide insurers and individuals through specific issues (Which policies will cover COVID-19 risk? What can one do for payment of premium, notification of a claim or settlement of a claim?).
- **A webcast series** to keep you apprised (at any time and from everywhere) of the latest developments. Webcasts are available on Wildgen's YouTube page and on the COVID-19 Toolkit page.
- **Useful links** for companies from all industry sectors.
