PRESS RELEASE

Luxembourg, 4th July 2022

BSP turns 10 and moves to Leudelange

The 3rd independent law firm in Luxembourg turns **10 years old** post spin-off, and, having exceeded 100 employees, is moving to a new building in the business area of **Leudelange**, at the following address:

**11, rue du Château d'Eau
L-3364 Leudelange
Luxembourg**

The new building has been designed as a pleasant working space, bigger and comfortable for BSP employees, with more single offices, a modern cafeteria with more than 60 places, an auditorium for events, two terraces, a gym and a garden. Together with wellbeing at work, sustainability and environment have been two of the key drivers of this project, in consistency with BSP values and with the commitment BSP has shown in the last three years organising a number of CSR activities.

The move will be official as of 1st of August 2022 and it marks an important step for the firm. With 7 partners in 2012 following the spin-off, BSP now counts on **16 partners** covering a full range of practice areas and with a new generation of young partners.

With increasingly sophisticated clients, the firm has progressed in terms of technology, client management and knowledge development in order to provide with the best cross-practice service and in the new premises BSP will have all the spaces and tools to successfully manage all technological, regulatory, economic and environmental evolutions our clients need to face to succeed in their business.

The project of the building has been realised by architecture + aménagement s.a. - bureau d'architecture.
