PRESS RELEASE

Luxembourg, 28 October 2022

BSP Partners recognised in Paperjam 100 Lawyers supplement

Six BSP partners have been recognised in the Paperjam 100 Lawyers supplement. The supplement, published for the first time, highlights the 100 most important lawyers in the Grand Duchy and its release was marked with an event bringing together the winning lawyers and featuring a conversation with Sam Tanson, Minister of Justice.

Six partners of BSP from across the firm's practices have been selected in the following categories:

Droit fiscal: [Alain Steichen](#)

Droit bancaire : [Laurent Lazard](#) and [Fabio Trevisan](#)

Droit du travail: [Anne Morel](#)

Droit immobilier: [Laure-Hélène Gaicio-Fievez](#)

Droit des fonds d'investissement: [Isabel Høg-Jensen](#)

Droit civil: [Fabio Trevisan](#)

The firm, which celebrates its 10th anniversary this year, has recently moved to a new building in the business area of Leudelange, and this accolade is further testament to the firm's strong positioning in the Luxembourg legal market. BSP is proud to see the recognition of 6 out of 16 partners in these rankings. Once again in these awards, men and women are equally recognised. This is something our firm really wants to highlight, being one of the few law firms in Luxembourg having 9 women and 7 men at partner level.

About BSP

BSP* is an independent full-service law firm based in Luxembourg.

We are committed to providing the best legal services to our domestic and international clients in all aspects of Luxembourg business law.

Talented and multilingual, our teams of lawyers work side by side with our clients to help them reach their objectives and support them with tailor-made legal advice, creating in the process professional relationships based on mutual trust and respect.

Our lawyers have developed particular expertise in banking and finance, capital markets, corporate law, dispute resolution, employment law, investment funds, intellectual property, private wealth, real estate and tax. In these practice areas, as in others, our know-how, our ability to work in cross-practice teams and to swiftly adapt to new
