

## Press Release

Luxembourg, May the 2<sup>nd</sup>, 2023

### **BADENOCH + CLARK and SPRING PROFESSIONAL Luxembourg will merge to be LHH.**

The **LHH** brand, a subsidiary of **The Adecco Group** and sister company of the **Badenoch + Clark** and **Spring Professional** brands, is strengthening its international presence and its service offering for companies, by integrating a global approach to recruitment and talent management. A strategy started in 2022 on an international scale, to provide visibility, understanding and simplicity for decision-makers and candidates. This merger of brands under a single LHH brand represents a new offer that is in line with the strategy and ambition of LHH worldwide to enrich its HR expertise to meet all the challenges of organizations. It aims to support companies - SMEs and multinationals alike - in their talent recruitment and talent management.

### **LHH: expertise complementary in the management and growing shortage of skills.**

After a 12-month period of co-branding, to progressively share this information, our goal was to inform partners and candidates of this new identity.

This strategic merger aims to meet the growing needs of companies in terms of HR expertise and the capacity to manage the attraction of skills on a local and international scale for Luxembourg.

LHH now combines the two complementary areas of expertise of Badenoch + Clark and Spring Professional: recruitment (permanent, fixed-term, temporary, consulting), executive recruiting, career transition, coaching, training, and skills assessment are now possible under the same brand.

LHH can find the best talent, both for executive and middle management positions, in all key sectors of the Luxembourg economy, through a team of 35+ people in Luxembourg, who have been present for 20 years for the Badenoch + Clark team and 30 years for Spring Professional (formerly Ajilon).

LHH is still managed by **Stanislas DUTREIL** as **Managing Director** of the former Badenoch + Clark and Spring Professional.

**Stanislas DUTREIL:** *"We are delighted to be joining the new LHH identity, a major actor in Human Resources with whom we share many common values. Although the services provided by Badenoch + Clark and Spring Professional - now under the LHH banner - will remain unchanged, I am confident that this will make it easier for our clients to understand the extent of the services offered by this division of The Adecco Group, and that it will strengthen our position as the world's leading HR solutions provider. Our candidates and partners based in Asia and on the American continent will also be able to contact us under the same LHH brand in Luxembourg; it is a unique strength to have this local expertise for so many years and to benefit from this multi-country support."*
